ICEBREAKER:

- 1) What did you find the most challenging, helpful or troubling about the message?
- 2) What can you practically do to seek God to make the best choices?
- 3) Dr. Cuffey's first point is that our choices for God spring from within. What gets in the way of you and God connecting?
- 4) Our choices against God have consequences. How have you noticed this? What decision are you putting off completing that you know you need to do?
- 5) We see in 2 Kings 23:28-30 that because God is sovereign, He is bigger than our choices. How does that make you feel?
