

Tough Topics & the Gospel - 10/21/18

Pastor Adam, guest speaker

What are your thoughts about those of the Muslim faith?

Review 1 Samuel 4-6

Note how the Israelites took the ark into battle like a good luck charm. How are we tempted to use God to get what we want?

What happened to the god of Dagon? What happened to the Philistine people wherever the ark went?

What does this passage teach us about God?

Since God is holy and all powerful how shall we act toward Him? (1 Sam 6:19-20)

What response do you have after studying these passages? (See also Col 1:15-20)

Our speaker challenged us that the core of discipleship is to approach Jesus with careful obedience and total trust. What steps can you take?

What role can you play in reaching people of the Muslim faith? There is 1 missionary to 3,000-4,000 Muslims. Evangelicals are 1-2% of the population in Middle East.

- Pray Matt 9:38 at 9:38am or pm every day (set a timer on your phone)
- Support a missionary through prayer, finances, encouragement.
- 6 million Syrian refugees displaced out of their country to more open countries, which means an increased likelihood for them to hear the Gospel.

What other thoughts or ideas stand out from the message?
