

Summer with the Staff – August 22

Pastor Omar – Holy Spirit power

Discussion Questions:

- 1) What stands out to you from the message?
- 2) Pastor Omar said that knowing the Holy Spirit is the catalyst for personal and communal awakening. How have you seen this in your life or in the life of our church?
- 3) Who is the Holy Spirit to you?
- 4) Read John 16:7-15. How did Jesus explain to the disciples about the Holy Spirit?
- 5) What is one thing that you are having difficulty surrendering to God? What would be a way to turn over control and live in dependence of Him?
- 6) Would you consider starting your day with the prayer: “Holy Spirit, I surrender my day to you. Please show me how to be a living sacrifice today.”

Close in prayer for you and your group to walk more fully in surrender to the Holy Spirit.
