I Love My Church: Sharing

Opening Question: What is your favorite salty snack?

Main point: God entrusts us with the Kingdom experience.

Main passages are Matthew 5:13-16 and Mark 5:18-20.

What is the role of salt and light?

Who is called to be salt and light in these metaphors?

What is our responsibility to reach out and share Christ with others?

What made you decide to try out a church?

Was there a person that God used in your coming to faith in Christ? Please briefly share how he/she was “salt” or “light” to you.

As time allows, consider taking time over the next few weeks to hear each group member’s story of faith in order to get to know one another better. A simple format (Tell Your Story from CRU Ministries) is available on the App.

In Mark 5 Jesus healed the demon-possessed man and then instructed him to go back to his home or household. Why might this be?

How will you be intentionally share about Jesus or be Christ with your “household”? Think about your spheres of influence at work, family, neighborhood, school, hobbies, etc.

Do you have relationships with unchurched people or those far from God that you and your group can pray for? Have each group member share at least one person to lift up as an ongoing prayer request.

Who can you consider inviting to upcoming events: Christmas Simple on 12/7; Christmas Cantata on 12/9; and/or Christmas services December 9th, 16th, or 23rd or Christmas Eve?

Continue to work on memorizing this series’ key passage, John 13:34-35. How are these verses impacting your life?
