Home for Christmas Part 1

Share a positive memory of Christmas and a not so positive memory of Christmas.

Scripture verses: Psalm 84:3, Ps 90:1, Mal 4:6, John 1:14, John 14, Rev 21:3

When you think of HOME for Christmas what thoughts does that bring up?

Pastor Rick shared that deep down we are homesick--we long for a gathering of our past, present and future views of home. Ultimately we are homesick for God. Discuss your thoughts and how do you deal with these feelings?

We see in John 1:14 that God became flesh and moved into our world. He has made His dwelling among us. Will you make room for Him this Christmas? How?

Look at Psalm 91. What are some ways to rest in the shadow of the Almighty God?

If this season finds you dealing with something hard, share that with your group and ask for help in finding hope, joy and strength.
