Temeria Olabode – Trusting God through Transitions

Discussion Questions:

- 1) What stands out to you from the message?
- 2) When have you seen a transition in your life lead to transformation?
- 3) Transition can lead to transformation with healthy perspective, trust in God and vulnerability. Where are you cooperating with God or maybe resisting a transition?
- 4) Look at Romans 12:1-2 and 2 Corinthians 1:8-11. In what practical ways do you renew your mind?
- 5) How can your group support one another through the transitions and losses you are currently experiencing? Spend some time in prayer for one another.
