Experience Hope - Palm Sunday

Scripture: Matthew 21, Philippians 2

ICEBREAKER: *Share a Palm Sunday memory.*

Where do people find hope?

How are you struggling with hope today? This week?

In the Matthew 21 passage the people were celebrating what they thought would be the Messiah running the Romans out. Instead Jesus went right to the temple. What is the significance of this?

Jesus went after the heart of their worship. What are some things that we can tend to worship? Do you sometimes make your faith more about you than you care to realize? If so, how?

Thankfully Jesus gives us grace and wants to cleanse our hearts to make us more like Him. In what ways as you pray and reflect, might He be asking you to change?

Close in prayer for one another to turn our hearts fully toward God and all people. May we be used to bring hope and love in our homes, neighborhoods and beyond!
