**Giving life...**

We are also creators mirroring the creative capacity of our Creator...

**GOD's Story— LIFE, John 1:4**

*"In him was life, and that life was the light of all mankind."* John 1:4

God's Story about *us* begins with our creation: Genesis 1:26; 2:7; 1:27

Our very life breath comes from God, the Word, the Life—Jesus, who was with God in the beginning. He is "the Author or Life." (Acts 3:13-15)

**A Jesus Story—The Death and Resurrection of Lazarus, John 11**

We have the opportunity, right now, to experience what Jesus told Martha: John 11:25-26

**Do you believe this?!**

**BIG Idea:** Jesus is the Author of Life—natural life and new life. By believing in him you can cross over from death to life and experience life to the full *now*. Do you believe this? Do you want this? It's yours for the asking— and the believing. Imagine yourself with new life this Christmas.

**Right On!**
