Something incredible has happened in human space and time—our Creator has come to us *as one of us* !

**John's Heavenly Christmas Story—**  
**The Woman & the Dragon, Revelation 12**

We are caught up in God's Story of Redemption. In fact, we are the focus of it all—the battle for the souls of men and women between the forces of good and evil...

**This Christmas...**

~Imagine that God has actually revealed himself to you through Jesus.

~Imagine yourself being faithful to him no matter how the battles of life rage against you.

~Imagine that Jesus has already triumphed over the enemy by his own blood and now you triumph with him by your personal story of faithfulness to him.

**Merry Christmas!**
