

Imagine Christmas
WORD
First Christian Church—December 3, 2017
Chuck Foreman, Teaching/Missions Pastor

Where to start?

Where would you begin if you were going to share the Xmas Story with someone who had never heard it before?

GOD's Story— WORD, John 1:1-3

- Hebrews 1:1-3

So what?! What does this have to do with Christmas? Nothing...and Everything!...

- 1 John 1:1-4

Joy...

- A story of the right Word at the right time and of joy restored...

BIG Idea: God spoke us into being by his Word. God has communicated to us, given his Word to us, in the most intimate way—by becoming one of us. Jesus is God's *Word* to us. He is how we know and understand God. *Imagine really knowing God through Jesus this Christmas.*

Right On!
