Discussion questions:

1. When you take an honest look, where in your life with Christ have you taken on an "automatic door" mindset?
2. Thinking about the sheep's pen and Jesus representing the shepherd, how has Jesus been a great shepherd in your life?
3. Who are you holding a door for? Who in your life are you currently sharing Jesus with? Who can you be sharing Jesus with and how can we help you?
4. Out of the three doors that Shonna highlighted from Luke 3:7-14 (door to compassion, door to intentionality, door to contentment) , which one of those do you need help opening or keeping open?
