

# SOAP DEVOTIONS

Opening a Bible and reading it is how we hear God speak to us. Evergreen Church follows a Bible reading plan and a simple four step method to write down what God says. First we read the Bible passage listed for the day. Then we write down four things.

**Scripture** — just one verse that feels like it was written just for you.

**Observation** — what is God saying in that verse?

**Application** — how will my life be different because of what I just read?

**Prayer** — what's your heart response to God?

Find the Bible reading plan on the Evergreen Church app. You can even listen to an audio Bible on your phone!

## WELCOME HOME!

Evergreen Church loves people. That's why your good coffee is free. There's even a meal after the service to help you to meet friends. You will hear a band and see people singing songs to God. You can sing too if you want. There's a talk from the Bible about real life issues. At the end, there are leaders standing near the platform who can answer questions and even pray for problems you're facing.

### WHAT IS EVERGREEN CHURCH?
