# ON MISSION

## WELCOME!

We are so glad that you are a part of this tremendous movement of churches on mission together! God is doing something incredible in our state through all who call themselves N.C. Baptists.

Whether you are coming to be inspired by the Word of God through preaching, to learn how the Lord is working in your area of ministry, or just to be refreshed by the fellowship with other leaders, we hope you will leave feeling more encouraged and equipped to reach people with the gospel, train the next generation of disciple-makers, send your best as church planters and missionaries, and serve your communities by demonstrating and declaring the love of Jesus Christ. Our prayer is that you are renewed in vision and revived in spirit.

Please take a moment to familiarize yourself with the locations of today's events. Signs are posted throughout the building to help guide you throughout the day.

For questions or help finding any of the locations listed in this program, please contact a Hickory Grove greeter in the main lobby.

# ON Together

## **MAIN SESSIONS**

The main sessions will be held in the worship center of the church. Please be respectful of those attending sessions by putting your phones on silent or vibrate and by taking all phone calls to the main lobby. Thank you.

## **BREAKOUT SESSIONS**

You will find breakout sessions geared for leaders in all kinds of ministries. Breakout sessions will be held in various rooms throughout the building. Please see pages 6-23 for a list of leaders, descriptions and room numbers for these sessions. Directional signs, Baptist state convention staff and Hickory Grove volunteers will be available to help provide directions to these sessions.

## **THANK YOU!**

We are grateful to Pastor Clint Pressley, Pastor Kyler Smith and the wonderful staff and members of Hickory Grove Baptist Church for hosting today's conference. They have gone the extra mile in preparing a special experience for you today. We appreciate their investment in North Carolina Baptists.

## TITLES & DESCRIPTIONS

### **107 ALIGNING YOUR CHURCH'S SYSTEMS FOR MAXIMUM SENDING**

*Bobby Herrington*

You cannot align your church's systems for maximum sending if you cannot identify what creates the engine for sending in your church. In this breakout session, we will dive deep and examine the elements that create a powerful engine for sending and how to strategically implement systems that harness and leverage this engine for maximum impact.

### **228 ASSIMILATION: Creating a Pathway for Discipleship**

*Cory Smith*

An intentional assimilation plan is a powerful tool that will increase your church's disciple-making effectiveness. If discipleship is the goal of the church, then an assimilation process is the path that leads your people there. An assimilation plan allows you to walk newcomers to your church down a pathway of connection and spiritual growth, enabling them to take the next step in their faith journey by connecting them with church leaders, small group Bible studies, areas of service and so much more.

### **122 A REVITALIZED CHURCH REVITALIZING CHURCHES**

*Kevin Clubb*

When your church experiences a turnaround that makes it effective in reaching out to its community, building others up in their faith and sharing the Good News about Jesus — what are you supposed to do? What if you took what God did in your church and became a catalyst for turnaround in other churches in your community? Here's the story of Cape Carteret Baptist Church becoming that kind of church.

**10:30 A.M.    SESSION 1**

**12:30 P.M.    SESSION 2**

**1:45 P.M.    SESSION 3**

## **203 BUILDING A MULTIPLYING DISCIPLESHIP CULTURE**

*Dave Turner*

In this breakout session, walk through the steps and key ingredients in building a culture of discipleship that grows both deep and wide.

## **201 CONNECTING MISSION, GENEROSITY AND THE WORK OF GOD**

*Kurt Appel*

The church must understand that it is not only responsible for witnessing and proclaiming Jesus Christ, but it must also understand that it is privileged to participate in this activity of God for mission and ministry. It is from this participation with God that followers of Christ gain ownership in the mission and are moved to be generous by providing resources to make a difference in a world that no longer sees itself as being influenced by the church.

## **207 COUNSELING WOMEN: CONTEXT AND COMMUNITY**

*Kristin Kellen*

As we engage with, serve and disciple women, we must be aware of their unique context and their roles in the community. Particularly in counseling, a woman's family of origin, cultural context and stage of life influence her needs and struggles, often significantly so. By understanding a woman's context and community properly, and seeking to understand her well, we can assist her with living out God's calling for her life.

## **127 DISCIPLE MAKING AND THE CHANGING CULTURE OF NORTH CAROLINA**

*Keelan Cook*

Discover key shifts in the demographics and worldviews of North Carolina residents and how they impact the church's mission.

## **220 DISCIPLE-MAKING ON THE COLLEGE CAMPUS**

*Spencer Martin*

The college campus is both a mission field and a mission force. In this breakout session, we will discuss practical steps you can take to create a disciple-making culture among college students.

## **125 DISCIPLE-MAKING PIPELINES FOR SENDING**

*Mike Dodson*

Discover the key questions that need to be answered to build or expand an effective disciple-making pathway to raise up leaders within your church, as well as raise up leaders who can be sent to fulfill God's mission.

## **124 DISCIPLE MAKING THROUGH CHURCH WEEKDAY MINISTRY**

*Kim Jones*

Want to reach more young families in your community? God tells us to be diligent and teach the children about Him. Church Weekday (Preschool) is a part of foundational learning, and we can partner with parents in being intentional in raising disciples for Jesus in a rapidly changing culture. Church Weekday Education Ministry is a way to disciple kids while creating opportunities to be able to disciple Mom and Dad, too.

## **224 DISCIPLING LEADERS IN AN URBAN CONTEXT**

*Jerome Gay*

Discover what discipleship is, explore context-driven distinctions, and understand why apologetics is essential for discipleship in the urban context.

## **112 EL VIAJE DEL DISCÍPULO DE JESÚS**

*Samuel Rodriguez*

Vamos a realizar un viaje en un contexto bíblico, de la filosofía del ser y hacer discípulos; redescubriendo y afirmando los siete niveles y las cuatro metas que Jesús y sus apóstoles modelaron, las cuales son pertinentes para una iglesia que pretende penetrar intencionalmente esta cultura, en esta generación -a través de una aventura discipular transformadora.

## **204 ENGAGING YOUR CONGREGATION IN TRANSFORMATIONAL WORSHIP**

*Kenny Lamm*

Our times of gathered worship are perhaps the greatest opportunity for discipleship in the church. What can we do to plan and prepare our worship services to experience the greatest life transformation?

## **126 FAITH THAT LASTS FROM TEENAGERS TO ADULTHOOD**

*Daniel Rose, Alex Hugo*

Next-Gen ministries can often feel isolated and siloed from each other and the rest of the church. Hear from Daniel Rose and Alex Hugo about strategies and opportunities for providing your church with a holistic, unified and connected plan for discipling adolescents into young adulthood. Join us on the journey to build a ministry that produces faith that lasts.

## **221 FAITHFUL AND WISE FINANCIAL STEWARDSHIP**

*Scott Setzer*

How does your discipleship inform your stewardship? This session will survey key components of faithful and wise financial stewardship such as biblical foundations, stewardship planning through the different phases of life, vehicles for charitable giving beyond the weekly offering, and redemptive investing. Participants will also learn how Provision is prepared to assist their church in developing faithful and wise financial disciples.

## **220 FROM THE CAMPUS TO THE WORLD: How to Cultivate a Culture of Sending in Your College Ministry**

*Brandon Newton*

This breakout will be focused on how to build the processes and culture of sending in a college ministry.

## **222/ GRACE TO REACH THE URBANITE CONTEXT**

**224** *William “Duce” Branch*

As the world seems to get more and more “urban” or urban influenced, God’s disciple-makers would benefit from considering the urbanite context and gaining a mindset to reach them with gospel efforts. By “urbanite” we intend to highlight the broad cross-section of urban demographics that is not exclusive, but familiar with both “pop” and “hip hop” cultural influences. Come hear about how ministry happens through such vessels shaped by that context to reach such contexts.

## **228 GROUNDWORK: An Easy-to-Use Model for Developing Leaders in the Local Church**

*Eric Mullis, Barry Murry*

This session will introduce GroundWork, a new model developed by N.C. Baptist pastors to identify and raise up leaders in your local church. The model is easy to implement and use. The GroundWork model comes with a complete teacher guide for pastors, a student guide for members, as well as resources to help make the model effective in your local church.

## **107 HEART TO PRAY**

*Greg Mathis*

In this breakout session, we’ll learn the ways we can enhance our daily “Quiet Time” with God.

## **205 HELPING GEN Z REACH GEN Z**

*Reagan Jones*

The students in your ministry are your best resource to reach the students of your community. This session will be centered around how we can equip, mobilize and disciple our students to reach the next generation with the gospel.

## **108 HOW TO LEAD A RESIDENCY AT YOUR CHURCH**

*George Ross*

Does your church have a pathway to discover, develop and deploy disciples as everyday missionaries, church planting team members and church planters? The truth is most churches either don't have a well-defined pathway or have built pathways that unintentionally create cultures of dependency instead of deployment. This session will help participants leave with a framework for creating a residency plan that a church of any size and budget can implement.

## **108 KEEPING YOUR CHURCH'S DOCUMENTS ON MISSION**

*Allen Murray*

Church documents and structures can be burdensome and contrary to the mission. But that doesn't have to be the case. Learn how to use or change your organizational documents to stay on mission.

## **201 LEADING EVANGELISM AND DISCIPLESHIP IN YOUR ASSOCIATION**

*Terry Stockman*

The session will cover simple, workable examples of current and tested methods of evangelism and the corresponding role discipleship plays in the overall process of reaching the world with the gospel.

## **109 LEADING SERVENC FOR ASSOCIATIONS**

*Wesley Smith*

In this breakout session, learn to engage the churches in your association for ServeNC 2024.

## **203 LEADING WITH PURPOSE AND PATIENCE**

*Aaron Wallace, Sandy Marks*

In this session pastors will discuss effective leadership in today's rapidly-changing culture. Through this training, you will be better equipped to guide your congregation with unwavering purpose and the patience required to shepherd them through needed transitions.

## **204 MAKING DISCIPLES IN A NORMAL CHURCH**

*Jeff Blackburn*

Learn how to lead a simple, transferable, disciple-making strategy for church leaders that engages the Bible, builds relationships and provides the accountability necessary for spiritual growth and multiplication.

## **134 MEETINGS THAT MOVE THE NEEDLE: Leading Effective Staff Meetings for Vision and Execution**

*Adrian Early*

Meetings can seem redundant and unnecessary, but they do not have to be that way. Find out how you can lead staff or lay teams to move the needle for the Great Commission and the mission of your church. This breakout will provide the resources necessary to strategically move your team toward the vision God has for your church.

## **123 MINISTRY ESSENTIALS: Raising up Shepherds Who Have a Heart for God**

*David Horton, JD Grant*

In Jeremiah 3:15, the Lord told His people, “I will give you shepherds after My own heart who will feed you with knowledge and understanding.” Effective discipleship in the local church is modeled by a shepherd with a heart for God. Let’s raise up a new generation of pastors who are determined to be shepherds and not sheep farmers!

## **134 PARTNERING WITH THE PASTOR NEXT DOOR**

*Nathaniel Williams, Ben McRoy*

What can happen when a church is willing to commission several families to join another local church so it could better reach its community? What might God do when a church is willing to receive those families and is open to the changes that might come with them? This breakout will discuss how churches can strategically partner together for church strengthening and community outreach. Whether you are a sending church, or a church in need of strengthening, this breakout will offer some practical tips for forming strategic partnerships between churches for the sake of God’s Kingdom.

## **201 PASTORS NEED GOOD PEOPLE SKILLS: Ministry Essentials**

*Steve Scoggins*

In this breakout session, we will look at the biblical basis for discerning personalities in order to effectively minister to people. We will also look at how to handle difficult people and how to handle demanding people.

## **126 PLANNING AND IMPLEMENTING SERVENC**

*Paul Langston*

Imagine every church serving every community in N.C. in Jesus’ name in August 2024. Learn how to plan and implement ServeNC to mobilize every member of your church. In a changing culture, we have the opportunity to move out of our seats and into the streets to be the light of Jesus.

## **127 PREACHING TOWARDS DISCIPLESHIP**

*Quintell Hill*

Shepherding the flock of God is about feeding and leading the people of God. The primary method for pastoral effectiveness is his time in the pulpit. Learn best practices for preaching effectively so that all people may grow and go.

## **125 PROMOTING SERVENC IN YOUR CHURCH**

*Kathryn Carson, Whitney Goulding, Daniel Spivey, Liz Tablazon*

Join members of the N.C. Baptists' Marketing and Communications group to learn how you can promote ServeNC in your church. This training will show you how to utilize ServeNC promotional graphic templates and get the most out of tools like social media.

## **222 SCORECARD: Creating a Winning Scorecard in Your Children's and Youth Ministries**

*Cheryl Markland, Merrie Johnson*

Who is discipling your children and teens? Churches should be able to say, "We Are!" but may lack direction and vision for this important ministry. Join us as we explore practical ways you can equip and partner with parents as they endeavor to make lifelong disciples of Christ within their families.

## **206 SENDNC PLANTERS TRACK: Strategizing to SEND**

*Mike Pittman*

This 3-session track with Ryan Johnston, Antoine Lassiter and Mike Pittman is designed to help planters identify their unique gifts and passions in developing missional leaders. Our goal is that everyone will walk out with the beginnings of a plan that they can begin implementing as soon as they return to the church.

## **202 SHEPHERDING GOD'S CHURCH IN REVITALIZATION**

*Matt Capps*

Leading the local church through necessary change can be difficult. In this session, Pastor Capps will encourage you with biblical principles and practical steps to lead with wisdom and patience.

Have you ever wanted to talk to your Muslim neighbors and friends about Jesus, but just don't know where to begin? This breakout will equip you to develop the skills to share the gospel with Muslims in your community.

## **120 START TO FINISH**

*Mark Dance*

As pastors come to lead their churches, they recognize very quickly the task they have been called to comes with very special expectations. And with each passing year, it feels like we now live in a time when pastors and ministry leaders can no longer live up to those expectations. In this session, ministry leaders will find the guidance to finish the race well from start to finish.

## **221/ TECHNOLOGY AND TEENS: What Parents Need to Know**

**220**

*Alex Butner, Tom Guy*

Technology surrounds our lives; it's in our pockets and homes. It affects our lives in drastic ways, and parents must be equipped to protect and teach their children about the dangers of toxic influences, cyberbullying and pornography. This breakout is designed for pastors to help equip parents to navigate walking alongside their children amid these struggles.

## **205/ THE CHURCH FOSTERING MOVEMENT: How Churches of Every Size Can Get Involved**

**123**

*Terry Long*

God is moving across the nation in the hearts of healthy churches to help struggling churches get on mission again. Come hear how your church, regardless of size or location, can get involved.

## **208 THE GOSPEL AND A WOMAN'S IDENTITY**

*Annie Locke*

As we look to God's Word, we see the beauty of God's design for women in the fulfillment of His "Creation Mandate" (Genesis 1:27-28) and filling the earth with His image bearers. Through the gospel of Christ, we will hear His call for women in the fulfillment of His "New Creation Mandate," also known as "The Great Commission" (Matthew 28:18-20), through discipleship and making Christ's image bearers.

## **124 TRANSFORMING YOUNG ADULTS THROUGH GROUPS**

*Sam Nelson*

Explore an effective young adult disciple-making strategy that prioritizes small-group ministry at its core. Learn how creating gospel-centered communities is the key to reaching and discipling young adults in their faith journey.

## **123 TRENDS IN WORLDVIEW AND DISCIPLE MAKING**

## **222 VBS: It's More Than Sno-Cones!**

*Beth Whitman*

When children come to VBS for the Sno-Cone snack time, show them Jesus! During this breakout we will share key components about Vacation Bible School ministry opportunities and organizational strategies. Discover how practical planning and goal setting can broaden your VBS vision beyond the status quo to effective, lasting kingdom change in children, families and communities.

**207/** **WOMEN'S DISCIPLESHIP: The Gospel Above All**

**208** *Ashley Reffit*

In this breakout we'll discuss the importance of reaching women across the state, equipping them to study God's Word as we send them out to serve Christ in their circles of influence on mission together. Discipleship is fueled by missions and leads to evangelism; the gospel above all.

**202/** **WORK AS WORSHIP**

**122** *Gabe Magan*

Christians spend around 20x as much time in the workplace than they do their local church. How can church leaders and ministry leaders equip congregants to see their workplace as another space where they can live out the Christian life?
