WHAT WOULD JESUS SAY TO, PART 3: KANYE

When will Kanye West ever *not* make headlines?! Whether it's his run for president in 2020, bizarre rants, or relationship with Kim Kardashian, the controversial rapper seems to always be the talk of the town.

Kanye has been in the music business for over a decade and to honor just how important his presence has been, he was awarded with the Michael Jackson Video Vanguard Award in 2015.

While he's had his fair share of public feuds, Kanye West has made headlines for much more than his occasional outbursts. The rapper-turned-mogul has invested his creative ideas into his billion-dollar empire called Yeezy, become the highest-paid hip-hop artist of 2019 and in 2022, Forbes named him the wealthiest musician in the world with a net worth of \$2 billion.

BIG IDEA: The best version of ourselves is on the other side of community.
