big idea small group discussion

We're looking at the type of person God chooses and uses. God's choice of a person is diametrically opposed to how we choose a person. So many times, we choose individuals based upon *what that person is*. God chooses people on the basis of what they are to *become*. But if we're going to become the person that God uses mightily, that means we're going to have to prioritize Him and not waver and dance between God and idols that bleed us dry.

**BIG IDEA:** You cannot love God half-heartedly and expect to have a whole life.

## MOVING FORWARD

Any Baal worshippers here? Yeah, we will worship God. But we bring other little gods alongside the *Big G* God. For you, it might be dating. You cannot tell God you love Him and sleep around and expect God to be okay with that. You're dancing between two lovers. You can't find your identity in people and expect to also find your identity in God. You're dancing between two lovers. It may be your job and being a success. You will show up at church, but when it comes to giving your money, or when it comes to giving your time, you just never seem to have enough money and time left over to give to God. The problem? It's leftovers. You're not prioritizing God. You're wavering. You're dancing between two lovers. For others, it may be abusing a substance. Prescription drugs. Others, your little god—your Baal—is pornography. It is bleeding you and your relationships dry.

Any Baal worshippers here? Elijah says, "It's time to decide. It's time for you to stop wavering. You're dancing between two lovers.
