Rev. Paul Farley

Proverbs 24:16, Revelations 10:12, John 10:10, 2 Corinthians 5:17, Romans 8:1, Ephesians 2:8-9

- When you've been knocked down, rise up with faith
- A just man falls, but the Lord upholdeth him
- Quitting is your own decision
- Your failure is not who you are
- This picture doesn't determine your future
- Stop letting the enemy introduce you by your past
- My God is still writing my story
- The enemy uses labels, but God uses names
- Mistakes are expected
- You don't get cleaned up to go to God. Go to Him so He can clean you up
- Heaven says get back up, you can do it!
- Look how Jesus dealt with broken people
- Sin over promises and under delivers
- When God brings you back, He doesn't bring you back as a slave but as a son
- God doesn't just write you off
- Failure is not final
- You're still important and called. Don't let the devil lie to you
- Just because you feel weak, doesn't mean you're defeated
- Come back to God
- You can't drive forward driving backwards
- Your future is so much greater than your past
- Can you make it? Yes you can!
