- Don't add or take away from the Word of God
- Jesus is the spotless Lamb, our Redeemer
- There is hope for you today
- You don't have to leave this place burdened and broken
- Today, every chain can be broken
- A new chapter can be written in your story
- What shall we do?
- Repent- a change of mind and heart
- Leave the old things behind
- Move past failures/fault by moving into repentance
- The Name of Jesus has to be applied
- Believing isn't enough
- To be born again, we must be born of the water and of the Spirit
- Old things are passed away
- God is not done with you yet!
