Matthew 26:6-10

- Discern the moment
- Recognize what God is doing in the room
- Don't get so caught up in a moment that you miss what's actually going on
- Know Jesus' worth!
- Worship and praise the One who created you
- Remember where He found you
- Remember what He delivered you from. Don't call it waste- call it worship
- I'm willing to break the box and lay things down
- This moment matters! Worship Him while you have the opportunity
- He's worthy of it all
- Religion calculates. Revelation pours
- It's time to pray, reach, and teach
- Don't wait until tomorrow to pour out what God is asking for today
- Break the box like Mary and pour it out
- Be honest and willing
- I'm not going to protect what God is asking me to break. There are things He wants us to let go of
- When you know who He is, He's worth it!
- Don't wait for a more convenient opportunity. Do it now!
