- A lot is happening in the world because of daddy issues
- Jacob had daddy issues, among others
- You have to deal with your hurts
- God is One and He is our Father
- Don't have problems you haven't dealt with
- God is so gracious to forgive
- We can go to the Lord Jesus with our emotions and mess
- Don't struggle with disbelief
- We must be about our Father's business
- There is one God and His name is Jesus
- Every good and perfect gift came from your Father
- Are you living up to asking
- It's your Father's will that you will be answered
- Whatever you ask for in Jesus' Name, you shall receive
- Everything God is, you are
- Your Father wants to give you wisdom-ask
- He wants to be worshipped as the Father
- "Father" in the Hebrew means the primary source
- He wants us to rely on Him as our primary source
- He knows all things
