Proverbs 13:12-13, Genesis 37:19, Genesis 45:26-27, Revelation 3:8

- Joseph had a dream
- Sometimes dreams aren't meant to be shared
- God doesn't work on our timeline
- Just remember it's the plan of God and keep holding on
- What seems to be a delay for you is the perfect time for God
- Hold faithful and true
- It takes a full surrender and then God can work through you
- Go pick up that plan that God had for you in the beginning and follow through
- We have to move
- We've got to take the journey
- There comes a time when we have to stop mourning
- It's easy to blame our short comings or what's happened in our past
- Don't stay away because of past hurts
- Fulfill the call and purpose of the Almighty God regardless
- The bee isn't supposed to be able to fly, but he doesn't listen to theory
- Don't let anyone or anything rob you of your joy and faith
- If you get direction from God, it cannot be silenced
- We can hinder the will of God in our life by our decisions
- Sometimes we are delayed but not denied
- We look not to the things which are seen
- God is looking to restore and deliver
