John 8:32-36, Romans 6:14

- Celebrate your freedom
- Freedom is expensive. It was bought with His blood
- We worship in security and freedom
- This is not the end!
- Jesus Christ came to set you free. We were redeemed by Him
- He died so we could be free
- Whatever you need, the Lord is here to set you free!
- You have a choice of what you want to do with your life
- The Holy Ghost truly sets you free
- Break free from repetitive bad habits and bad mistakes
- Past hurts, past fears can distract you from what God intended for you to be
- You'll have a calm mind when you experience spiritual freedom
- The process isn't over
- God will lead you out of slavery
- He will release you. Go and sin no more
- Sin demanded a penalty that we could never pay
- Because He lives, I can face tomorrow
- We are free from condemnation
- God has brought you out with a mighty hand
- Jesus took my place. He paid a debt that we could never pay
- Take your place as a child of God
