Deuteronomy 6:4-5, Ephesians 4:4-6, 1 Corinthians 8:4, Romans 6:1, Acts 2:38

- Except a man be born of water and Spirit, he cannot enter into the kingdom of God
- We should search our lives and remove anything that hinders our walk with God
- We've got to see the reason to remove anything of the world
- He's the One that washes away our sins
- We have to surrender our lives fully to God
- He does not save us by our works, but by our faith
- That which is dead is now revived
- You weren't saved just because Jesus died but based on the basis of His death
- The grave is the indicator of His death- just as we repent and are buried in baptism
- Our old man is crucified with Him so we must be dead to sin
- We should not serve sin
- His death brought your salvation
- Old things are passed away. They have to die at an altar of repentance
- Everyone has to come to the Lord in a state of repentance, but first with faith
- The old you has to die-bury what has died
- Walk in newness of life
- Baptism is the ultimate evidence of repentance because burial is the evidence of death
- Baptism comes with a promise
