

## Secure in Our Identity

10/08/25

Pastor Page

1 Chronicles 17:16-20, 1 Chronicles 18:1-6

- David wanted to build God a house/temple
- His son built the temple that he couldn't because David had blood on his hands
- It was Your Hand that established me and all of my ways
- He has highly exalted me. Now I'm living in His everlasting grace
- Who am I?
- It was Your hand that preserved me. You brought me this far. I will forever be grateful
- What do I do to deserve Your mercy and goodness?
- I can't be defeated because God is on my side
- Take back what the enemy has taken. Claim what God has promised you
- Be secure in your identity
- There's power in knowing not who you are but, but whose you are
- To whom do you belong?
- There's authority in identity
- God's still doing something in our lives. There's still a call that God has placed
- God is calling you to His purpose
- It's not about us, but all about Him.
