Exodus 14:10-12, Exodus 1:22, James 4: 1-5

- March away from the chains that have you bound
- Now you are free in Him!
- God led the Israelites out of Egypt and into the wilderness
- He who delivered them was present with them
- The footsteps of a good man are ordered by the Lord. He's watching over
- The delivering power of God- no more chains and bondage of sin
- Your enemy will stalk you even in a place of liberty
- The enemy will come and make war against your soul
- The devil is an opportunist. He tries to lead you back into the chains of bondage
- Leave the chains behind!
- The Lord delivers you from bondage
- Your enemy will always come calling to take you back under the control of sin
- Do you have internal struggles and conflicts?
- You cannot be friends with the world and God at the same time
- He created you, gave His life for you, and He is the only one He wants us to serve
