

Choose Your Destination

9/20/26

Rev. Darrel Sparks

2 Peter 1:10, Matthew 25:22-30, Revelation 21:1-8, 27

- Get a genuine ticket to heaven- there's only one way
- Reaching our destination demands something of each of us
- There are certain things that are prohibited
- The law can't be changed. Give it up so you can get on the flight
- Close your past. Go where God wants you to go
- Make up your mind. The blood can wash away your past mistakes
- You can't go very far walking backwards
- Live for God!
- There's a broad and a narrow way
- Jesus is the Way, the Truth, and the Life!
- Nothing you have is yours. It was given to you by the Lord
- Living for God is absolutely living your best life
- The Master has the final say
- There are two choices: heaven and hell
- You don't have a second option if you don't live for God
- Decide where you're going to go
- Somebody else has already purchased your ticket- bought by the blood of Jesus
- We have a Redeemer that has already paid
- You still have to go through the process of choosing your destination
- You're never going to get to heaven until you decide, repent, and submit
- Put everything on the altar
- Make up your mind and say, "God, here I am!"
