JOhn 19:30, John 20:1-16, Nehemiah 2:2

- It is finished! Debt paid in full, sentence served.
- He triumphed over sin and death
- He has called us out of darkness into His marvelous light
- God was not done at Calvary
- The payment for sin was completed at the cross
- He is still victorious today
- No one has the power that He has
- The enemy desires to tear the church apart
- You still have an opportunity for God to do the miraculous in your life
- There's still time to fix some things
- Only God can heal our families
- Come out from among them and be separate
- God is coming back for a people that's made themselves ready
- Someone needs to drop to their knees in prayer
- Humble yourselves and pray
- God is not finished with us yet
- God's going to provide the resources when you decide to rebuild
- The greatest revival is in the future
