Acts 2:4-8, 12-18, Acts 1:8, Psalm 85:6

- God is preparing His church
- You have to be hungry and thirsty for more of Him
- Taste and see that the Lord is good
- There has to be repentance before revival
- Revival shifts your culture
- Requirements for revival: humble yourself, pray, turn from your wicked ways, seek His face
- He brought you out of sin and doesn't want you to go back!
- Come out from among them
- You don't let your child decide whether they want to praise God or live for God. They haven't been delivered from Egypt like you have
- Train a child in the way they should go
- Put something in them so that they remember in hard times
- He brought you out so He could bring you in!
- When the Holy Ghost moves, things happen that can't be explained
- An outpouring speaks of abundance
- obedience= unity= outpouring
- Wait on God. Then suddenly..
