Psalm 6:5-10, Acts 6

- It takes discipline to do without
- We need to grow
- When we grow, sometimes there's going to be pain and sorrow
- I know the Lord has heard our prayer
- He's going to be there
- We're going to go through some stuff even when everything's going right.
- Some growing has to take place
- Where there is growth, there is pain
- Psalm 6 starts with pain and sorrow and ends in praise
- Bring your problems to God, but always end in praise
