Matthew 14:23-30

- I trust God. He's the Author of Peace
- He's not the author of confusion
- Wealth doesn't produce peace
- Pursuing Him is how we get peace
- Don't take your eyes off of Him
- When you draw close to Jesus, He will take away your fears and doubts
- Sometimes we put up walls because we don't know how to deal with what we've been dealt
- We have a God who wants to help us. But we've got to completely surrender
