Luke 4:18-21

- People need to worship together
- The church is where sin meets salvation
- Jesus is the sinless sacrifice, our substitute
- It took the cross to bring man to Christ
- Here, your life can be forever changed
- He comes to heal the broken hearted
- He is here!
- He came to meet your need, lift your heavy load, and set you free
- Where He is, there's deliverance
- I can't just sit there, I've got something to do
- Today is the day for chains to be broken.
