

The Spirit of Adoption

6/21/26

Rev. Rema Duncan

Romans 8:14-17

- We are children of God. I am a son of God. Children with an inheritance
- We don't have the spirit of bondage
- You have a Father in heaven. You are not alone
- It is not just a feeling or something on a to do list. God wants to give you His name and character
- You don't have to worry about the things of your past coming back to put you in bondage
- Abba, Father- "ab" means strength of the home. It's the supporting beam
- Know Who your strength really lies in. You need His support and strength
- You don't have to figure out your strength and worth
- You don't have to worry any more
- He is the Spirit
- The Holy Ghost is the Father of the Son
- You are not an orphan. You have a wonderful Father in Heaven
- You don't have to walk around and do things on your own
- There is a voice you can lean on
- Once you lean into that Voice, He is a Wonderful Counselor
- You will never be without the voice of God
- God will fill your void. He will fill the space that the enemy wants to exploit
- Don't be dismissive. Without it, everything will come crashing down on you
