Obedience Brings Abundance All Nations Sunday- 10/26/25 Rev. Gary Vick

John 21:6, James 1:22

- We've got to put some action behind
- Have you ever came so close but experienced a setback?
- Don't give up!
- One word from the Lord changes everything
- Without a divine interception from God, we come up empty
- God empties our nets to make room for His Word
- Be willing to be obedient
- The word of instruction-cast your net
- Sometimes instruction from the Lord sounds so simple, just obey
- Be willing to listen and obey
- It may seem foolish, but it's simply in obedience
- Don't listen to the enemy
- If something's going to stop you from getting into Heaven, lay it down, cut it off
- If may not affect you right in this moment, but months down the road, you'll benefit
- His ways are not our ways
- His thoughts are not our thoughts
- We must keep going, keep digging. It's feet away
