1 Samuel 10:21-22

- Hiding reflects fear- Samuel hid
- Saul searched for 3 days looking for his father's donkeys (40 miles)
- He had no idea he was walking into a divine appointment
- What God does is not a coincidence
- He will order your steps if you allow Him to
- He has a divine plan for you
- Saul was anointed with oil to be king but didn't have a throne yet
- Do what the scripture tells you to do
- If we're not careful, doubt will set in
- God doesn't dangle the carrot in front of the horse
- Don't try to move ahead of God
- He knows the end from the beginning
- God is the Author and Finisher of our faith
- Let God work in His time. If you try to force the hand of God, you're going to make a mistake
- You have to put God first. It's part of God's alignment
- Saul was hiding among the "stuff"
- Don't let the "stuff" of life distract you from the things of God
- Do you want to hide from what you feel He wants you to do?
- God wants to use you!
- Stop allowing your fear and doubt to overshadow what He desires to do
