- Don't forget His name
- Just because you're going through something doesn't mean you've done something wrong
- Hang on!
- Your circumstances aren't the measurements of God
- We were dead in our sins but Jesus stepped in!
- You will experience seasons
- Jesus Christ already won the battle
- Calvary was a declaration of victory
- The enemy can't stop what Jesus is doing in your life
- Shut some doors!
- You have to keep improving
- Keep striving for the prize
- I am more than a conqueror through Jesus Christ
- Sacrifice yourself. I want to my life made new!
- We were bought with a price
- It is finished
- Knock down the walls
- There's victory in your battle
