

A Moment in Time

1/11/26

Rev. Lopez

Ecclesiastes 3:1-8, Luke 24:49

- God's will is perfect
- There was no time until God made the sun and the moon
- Time waits for no one
- We have no promise of tomorrow. Our life is a vapor
- We have been given the choice to do what we decide with our life
- Take advantage of the moment
- How does tomorrow look for you?
- The fall of man was the most tragic moment in time, but then Christ came for the lost
- He made a way for you. No one can stop His divine moments in time
- He robed Himself in flesh
- You and I are the reason for the season- He came for us
- He's here on purpose
- You're needed. You're valued
- You're in a Kingdom minded opportunity
- Jesus knew you were worth dying for
- There's no gray area with Him
- Ask, believe, receive.
- Don't beg- He wants to pour out His Spirit on us, gladly
- Do you want to be made whole?
- This is your moment
- We serve a God of "I will" and "I can"
- We must learn to linger in His presence and take the moment with us
