Romans 15:13, Acts 5:16, Hebrews 11:1

- If it be God, you cannot stop it
- God is the direct source of our hope
- Put your trust and hope in Him. Don't rely on circumstances
- It enables us to withstand difficulties
- Even though you're in the worst season of your life, trust Him!
- God did not give you the spirit of doubt
- He can break the chains of fear
- You have been set free by the great Name of Jesus
- Where would you be without Him?
- Faith fastens from the under side
- Faith is the very beginning of everything that matters spiritually
- Faith requires no details nor explanation
- Mistakes you make do not negate the promise. Recover from the mistakes and continue down God's path
- Hope will keep you from throwing in the towel and giving up
- I have hope, but do I trust and believe that God will?
- Get your eyes off the giftings and givings and get them on the Lord
- This gives me hope!
