Psalm 91

- Those who were stuck on the outside could only speculate. It was completely sealed
- There's something intriguing about a secret place. Everyone ones to know the secret
- God is willing to take you to a secret place
- He that dwells in the secret place of the Most High
- There is a secret place in God
- It's reserved for those who are in close fellowship with God
- Just because someone calls themselves a Christian does not mean that they abide under the shadow of the Almighty
- It's for those that are in communion with God
- Dwell in that holy place all the time
- We must have a relationship with Him
- Patiently wait on the Lord
- There comes a time when we have to emotionally and spiritually trust that God is able to take care of us
- We cannot do this on our own
- We have to dwell in the holy place
- Dwelling has longevity
- Take up residence there
- Instead of treating it as a place to come and go, we must dwell
- It's very important that we learn to dwell in His presence, not just come and go when it's convenient
