GOD VS. EVIL: A GOSPEL CONVERSATION

1. God did not create suffering (Genesis 1); suffering is the result of sin (Genesis 3).
2. When we rebelled against God, nature began to decay, the earth was cursed, genetic breakdown and disease began, pain and death entered. (Romans 8:20-22).
3. Much suffering in the world can be traced directly to our sinful choices. Some (not all) suffering is allowed by God as judgment and punishment.
4. For God to wipe out suffering from the earth, He would have to wipe out every one of us.
 - a. Because of God's great love we are not consumed (Lamentations 3:22).
 - b. God delays His judgment on suffering so those apart from Christ will still have opportunity to come to faith (II Peter 3:9).
5. God fully understands our suffering; our sin caused Him tremendous suffering. (I Peter 2:21-25).
6. The real question while suffering is not "Why?" (We have answered that.) The real question is "How?" How can God use this suffering?
 - a. Suffering can be used to draw people to Christ.
 - b. Suffering can be used to make us more like Christ, to shape and refine our character.
 - c. Suffering makes us long for eternity; for God's sovereign rule and reign.
7. The only "why" question is "Why has God not left us to suffer completely and to suffer for all of eternity? Why is He good to us at all?"

Dave Hughey, Lead Pastor/Jason Miller, Associate Pastor
