Read Col 1:15-20

One Aware Question: How can our group be praying for you as you look for opportunities to bless your 'one' this week?

1. Share about a family member/s that you see 'imaged' in yourself or someone else in your family. (Maybe it's your child who laughs just like you do, or maybe it's how you act just like your mother now that you're older.)
2. Together, make a list of all the truths listed in this passage about who Christ is, what he does.
3. For each of the elements you have listed, what are the implications for the world?
4. Implications for me?
