Community Group Questions: Gen 11:1-9

- What are your “daily device” habits? Specifically, when do you first/last interact with a device? And what is your first/last activity with the device? (email, news, social media, texting, devotionals, reading, etc.)
- What kind of use makes up most of your “device time?” Work, social, research, entertainment, other?
- Do you think you could be engaged/productive at work if you limited smartphone use? Why or why not?
- How would your personal relationships change if you used your device less for personal communication?
- Do you think our culture struggles with a fear of irrelevance? If so, what does that look like? And how does that affect smartphone use?
- Do you think our culture struggles with insecurity? If so, what does that look like? And how does that affect smartphone use?
- What are some “device habits” that have hurt relationships?
- What are some “device limits” that have helped you to strengthen relationships?
