## **Community Group Questions:**

1. How good are you at waiting in lines at the grocery store or restaurants? How much trouble do you go to so you can get into the absolute shortest line?
2. What is the hardest to be patient about? Do you feel like the longer you wait for something you want the more you appreciate it?
3. Are you able to see both righteousness and justice in the things you've prayed for?
4. What past troubles have you been able to find useful?
5. If as God's people we are seeking to create a new culture, that must first start with us. What is one area of your character that God is prompting you to seek growth in? Share with the group and take some time as a group to pray for each other in these areas.
