Community Group Questions:

- Describe the most exciting “new technology” when you were a child. How did it change your household in good ways? How did it change your household in bad ways?
- When it comes to new technology, are you typically an early adopter, a late adopter or something else? Why do you think you take that posture with technology?
- What technological developments make you most excited for the future? Why do you feel excited?
- What technological developments make you worried for the future? Why do you feel worried?
- In what ways have you experienced improved relationships because of technology? How did it help?
- In what ways have you experienced weaker relationships because of technology? How did it hurt?
- In what ways has technology affected your spiritual life?
- Is it clear to you how to distinguish between good and bad technology? How do you draw that line?
