Community Group Questions: Joshua 1:2-18 & 24:11-15

1. When you were young, what were your favorite shows with “good guys” and “bad guys?”
 - How did the producers tip you off about which ones were good and which were bad?
 - What differences did you notice between them?
 - Which ones did you root for?
2. How do you tell the difference between “good guys” and “bad guys” in real life?
3. With so many leadership scandals and abuses in churches, corporations, and government offices do you think we’re losing our belief in “good guys?” Why or why not?
4. We seem to have a natural default to believe that the “bad guys” are usually other people. We assume our people are the “good guys.” How does that create blind spots for our flaws?
5. How do you think we can appropriately deal with the evil “out there” while not overlooking the evil “in here?”
