### **Community Group Questions:**

Take time to read all of Matthew 6 and take note of what speaks to you for further discussion.

1. Reread Matthew 6:24, discuss past or present masters you have served or are currently serving that came into conflict with your relationship with God.
2. What are physical items you're holding on to that you feel give you the security that you should be seeking from God?
3. You've seen the videos on social media where people will give homeless or needy people a stack of money, however they've filmed the interaction to bring glory to themselves and share the video across the internet. Discuss areas where you have done the right thing to glorify yourself and not God.
4. What are your treasures and what does that say about your heart? If this is difficult to answer with a group, spend time this week in conversation with God about why this may be hard to answer.
