The Vow Factor Week Four:

1. Share a season or experience in your marriage that was “better,” and a season or experience that was “worse.”
2. What have you learned about your relationship from watching how you go through the “highs” and the “lows?”
3. I Corinthians 13 is a favorite reading for wedding ceremonies. How do you read this passage differently when you remember it was written to resolve a church fight in Corinth?
4. If Paul believed it would help a church fight, how can it help a marriage to be resilient “for better or worse?”
5. Describe a time when you experienced “agape” love **from** your partner. (Remember: “eros” love is sexual, “philia” is friendship, “storge” is family, and “agape” is sacrificial or commitment love.)
6. How did that experience affect your love **for** your spouse?
