1. How do you react to the idea that God sees single people as whole people who have the fullness of his love and blessings available to them?
2. Why do you think we are so obsessed with the “wow factor” of sensational weddings and romantic marriages?
3. Do you think people understand what they are saying when they say their wedding vows?
4. Does that even matter for a marriage to be successful?
5. Describe a couple whose marriage is a model for the marriage you want to have.
6. What common things could you do in the next seven days to support that kind of marriage?
7. If you are not married, or don't plan to marry, how can you support the promises couples have made to each other?
8. How do you pray for your marriage? *(or the one you want to have someday)*
