Community Group Questions: Acts 8

- When you hear the word “evangelism,” what images or experiences cross your mind?
- Studies routinely show that Christians do not evangelize well. Do you agree with that? Why or why not?
- What are the top 3 challenges that make evangelism difficult for people?
- Some people suggest it is natural for Christians to have fewer non-Christian relationships the longer they follow Christ. Do you agree with that? Why or why not?
- Others suggest that “insider concerns” become more prominent to you than “outsider concerns” the longer you follow Christ. How do you feel about that?
- Try to remember the last time you had a meaningful conversation about faith with someone who was not a believer. What made that conversation meaningful? What would help you to have more conversations like that?
