Community Group Questions: Acts 6-9

- Have you experienced any form of persecution for your faith? If so, how was it similar or different from Stephen's experience (not including the death part)? If not, why do you think you have been spared that experience?
- Do you think the good news about the resurrection is considered good news today? Why or why not?
- Do you think there is more conflict today for a Christian with other religious people or with non-religious people? Why do you think so?
- When you consider Paul's dramatic change, how does it help you believe in the truth of the gospel?
- Was your conversion more of a "saving grace" (dramatic transformation) or a "keeping grace" (sustaining a young faith through different seasons)?
- How does it help your faith to see God at work in both kinds of testimony?
