

Wise Young Men

Pastor Brian Petak

“Wisdom” = skillful living.

“Guard” = to keep close watch over.

1. Guard your *heart*.

- What's *on the inside* really matters.

2. Guard your *mouth*.

- What *comes out* really matters.

3. Guard your *eyes*.

- What *you take in* really matters.

4. Guard your *feet*.

- Where *you go* really matters.

So what?
