

## WELCOME

Thank you for joining us as we worship God together this Easter Sunday. We know how life is busy, and we are thankful that you decided to join us as we come together to worship and grow together in our relationship with God.

We acknowledge that we are a community of people who are in process. We have imperfect, messy lives. Yet, we are pursuing and experiencing a life transforming relationship with Jesus Christ together. Whatever your story, questions, or doubts, we are all about doing life together in community.

If you are a first time Guests, please stop by our Connections Counter in the lobby to pick a gift we have for you!

Lastly, please fill out a connection card so that we can send you a welcome communication, as well as pray with you about any request you would like to share. You can scan the QR code on the back of the bulletin or use the cards on the back of the chair in front of you!

## WAYS TO PRAY THIS WEEK

### For the children in our Church

Thank God for the Children in our Church. Pray that we see them as gifts from God and an important part of our church. Pray that the families raising Children, that they would raise them in the fear of the lord, saturated their families in the Gospel, and point them towards faith in Jesus for salvation. Pray for protection from the devil and the pressures of this world that are enticing. Pray that our youth flee youthful lusts and pursue righteousness, faith, love, and peace in a relationship with Christ.

### Gospel Giving Opportunities

Pray about those you can invite to our Easter morning Gathering. Pray for those who have already been invited, that God would draw their hearts to himself. That those who are unbelieving and maybe skeptical of the Gospel would seriously consider its truth and turn to God in faith.

### Other Gospel Churches

Pray for other Gospel preaching churches as they continue reaching the lost around us this Easter. That they would faithfully continue preaching the whole council of God's Word. Pray that Christ will continue to build his church and establish healthy churches in the Cincinnati area and beyond.
